I-66 TRANSFER STATION COMPLEX RULES AND REGULATIONS

4618 West Ox Road, Fairfax, Virginia 22030

July 1, 2007 - June 30, 2008

(703) 631-1178

In order to provide efficient and economical disposal service, the following rules will be strictly enforced at Fairfax County's I-66 Transfer Station Complex.

Areas of the I-66 Transfer Station Complex

Collection and disposal companies will deliver their municipal solid waste into the Transfer Station Building for processing. Companies may bring materials such as yard waste, brush and metals to the Recycling Center.

Residents of Fairfax County and Commercial Cash customers will dispose of waste by using the Citizens Disposal Facility or as directed by staff. Residents and Commercial Cash customers may deliver recyclable materials to the Recycling Center also.

Residents who wish to dispose of household hazardous waste will use the Household Hazardous Waste facility to dispose of their waste.

I-66 RECYCLING CENTER

Delivery of clean brush, yard waste, and ferrous metals/white goods will be made to the I-66 Transfer Station Recycling Center areas designated for such materials. Yard waste consists of leaves, grass and twigs. Clean brush is the woody part of yard waste, such as tree trimmings or pruning's (including Christmas trees). The I-66 Recycling Center can accept a branch and/or trunk diameter of 20 inches or less. Ferrous Metals/White Goods include, but are not limited to, stoves, refrigerators, washing machines, clothes dryers and hot water tanks.

It is the responsibility of the customer to immediately remove any unauthorized solid waste discharged at the I-66 Transfer Station Recycling Center.

CONSTRUCTION & DEMOLITION DEBRIS

Dirt, concrete, asphalt, rock and other similar material will not be accepted at the I-66 Transfer Station Complex. This waste may be taken to the I-95 Landfill Complex with the approval of the I-95 Complex Manager or his representative. Please telephone 703-690-1703 before taking such material to the I-95 Complex.

CUSTOMERS AT THE I-66 TRANSFER STATION COMPLEX

Customers of the Complex must obey the following rules in order to ensure the safe and efficient operation of the Complex. Failure to comply may result in the suspension of the individual(s) and the company from using the facility. The I-66 Transfer Station Complex Manager will determine the duration of any such suspension. At the option of the I-66 Transfer Station Complex Manager, the restriction may begin immediately or be scheduled, based upon

the circumstances. The I-66 Transfer Station Complex Manager or his representative will telephone the company owner/representative to relay the specific circumstances and duration of any suspension.

GENERAL REGULATIONS

1. All individuals entering the I-66 Transfer Station Complex must conduct themselves in an orderly manner and follow the oral/written instructions of County personnel, including inspectors and traffic directors.
2. County solid waste permit decals must be clearly displayed on both sides of collection and disposal vehicles.
3. Speed limit on the Complex is 15 MPH. *Drive safely* and minimize speed on the entrance roadway to the facility.
4. All commercial vehicles are subject to random vehicle inspections by County personnel.
5. All commercial vehicles must pass through the scales before discharging in the Transfer Station or Recycling Center. Drivers must stay with their vehicle while in line and at the scales.
6. No person will use or possess intoxicating beverages or illegal drugs while on I-66 Transfer Station Complex property.
7. All persons/vehicles enter the I-66 Transfer Station Complex at their own risk.
8. The County of Fairfax assumes no liability for damages to vehicles or injuries to individuals on the I-66 Transfer Station Complex premises. Report any accident immediately to the I-66 Transfer Station Complex Manager.
9. Use of the I-66 Transfer Station Complex is limited to: commercial companies with collection or disposal permits, residents, and government agencies.
10. Fairfax County reserves the right to change or modify these rules without written notice.
11. I-66 Transfer Station cannot accept out-of-state waste for disposal. Companies must have a separate request approved from the Director to dispose of out-of-county waste at the Transfer Station.

VEHICLE REGULATIONS

13. Tailgates are not to be unlatched at the scale area. Tailgates are to be opened and closed in the Transfer Station or Recycling Center only, unless otherwise instructed.
14. County employees are not permitted to hook up vehicles for towing and that the County of Fairfax assumes no liability for towing.
15. No open top roll-off containers are allowed unless carrying grass, brush, leaves, or metal, or under previously arranged special circumstances.
16. Vehicles entering the I-66 Transfer Station Complex may be subject to passing through radiation detectors. Should an alert occur, the driver must follow the instructions of County personnel who assess and determine what happens to the load.
17. All waste disposal vehicles with materials that could blow out of the vehicle must be covered during transport. This includes empty open-body type vehicles that have finished disposal and may contain loose refuse. The cover may only be removed at the disposal area.
18. All solid waste collection vehicles using the I-66 Transfer Station Complex must have operating back-up alarms.

DRIVER REGULATIONS

19. Drivers must be aware of County residents and smaller vehicles entering and leaving the Transfer Station, Recycling Center and/or the Citizens Disposal Facility.
20. Drivers must enter and exit the scales slowly and stop smoothly to prevent damage to the scale equipment.
20. Drivers must immediately remove any waste discharged at the I-66 Transfer Station Complex deemed unacceptable by County personnel.
21. Drivers must state the ORIGIN and TYPE OF MATERIAL of the waste to be disposed.
22. Drivers of trucks with hydraulic leaks will be responsible for their own spills. Trucks with repeated problems may be banned from the site until adequate maintenance is performed.
23. Drivers may not use cell phones, AM-FM, CB, and/or Two-Way radios while on the scales at the I-66 Transfer Station and should limit their use at all other times while at the Transfer Station Complex.
24. Drivers may not use horns on the site unless for safety or emergency purposes.
25. Drivers may clean out behind the compaction blade only when the space is available to park the vehicle.

26. **Drivers and all other personnel must wear safety vests with reflective material, or clothing with reflective markings (orange or yellow), while out of their vehicles at the I-66 Transfer Station Complex.**
27. Drivers must notify scale personnel immediately in the event of a vehicle fire/hot load and must follow instructions given by County personnel.
28. If potential violations are noted during random or scheduled inspections, drivers must sign the inspection form indicating the materials found, time, date, and vehicle. Signature does not indicate agreement with the alleged rules violation.
29. Drivers will not knowingly dispose of recyclable materials, brush, yard waste, or other special or prohibited waste on the tipping floor of the site.
30. Drivers are responsible for the removal of any litter blown from their vehicles onto the facility roads.
